

Board Diversity – Overview

The Local Governing Body of Plains Farm Academy has a capacity of 13 governors and as at 6th December 2023, 8 governors are in post and we have 5 vacancies.

In order to publish a set of Board Diversity Data, a data collection exercise was completed for the academic year 2023/2024. All findings have been anonymised for each data collection category.

Participation from governors was not compulsory as publication of diversity data is optional, not a DfE requirement.
