

School Closure

During our school closure, teachers have directed pupils to a list of activities to access at home. These are linked to programs the children currently use at home: Purple Mash, Times Table Rockstars, Sumdog.

As we subscribe to Twinkl, the company have offered parents/carers a one-month Ultimate Membership, free of charge. For parents to set up go to www.twinkl.co.uk/offer and enter the code UKTWINKLHELPS

Teachers will be able to see the work that your child has completed on the computer programs and they can set additional activities remotely.

Check our website class blogs for updated work.

Y2 and Y6 will have brought home printed work to support with their upcoming assessments.

Pupils who do not have access to a home computer or tablet will also have some printed work to complete during the closure period.

Thank you for your continued support.
